5 November 2026

Telunas Camp Update

Dear Parents / Guardians,

Thank you once again for your understanding and flexibility following the postponement of our Year 3 Telunas Camp. We are pleased to confirm that the camp will now take place from **Tuesday 5 January to Friday 8 January 2027**. All students who have previously registered for the camp have been automatically rolled over as attending the re-scheduled camp.

We recognise that the revised departure date requires students to return to school one day earlier than originally advertised, and we hope this will not cause significant inconvenience to families. However, we appreciate that some families may have existing commitments that prevent their child from joining the camp on Tuesday 5 January. To accommodate these circumstances, the school has arranged a limited number of places for students to depart for Telunas on the morning of Wednesday 6 January, at no additional charge. If your child requires this alternative departure arrangement, please complete the registration form below by Tuesday 10 November.

Late Departure Registration Form:

Financial Implications
While the postponement and rescheduling of the camp has resulted in additional costs, the school will absorb these expenses rather than pass them on to parents. There will therefore be no additional camp fees payable by families as a result of the revised arrangements.

Camp Overview
The Year 3 Adventure Camp is an important part of our outdoor education programme and is specifically designed to provide students with opportunities for personal growth, independence and collaboration beyond the classroom.

The camp aims to:

- Provide students with meaningful outdoor education experiences.
- Develop independence, self-confidence, resilience and a sense of achievement.
- Enhance problem-solving skills, resourcefulness and adaptability.
- Strengthen relationships between students and teachers through shared experiences outside the classroom.
- Equip students with valuable life skills that extend beyond their school years.

Telunas is an established outdoor education provider with extensive experience delivering programmes for school groups in the region. Its programmes are designed to provide students with safe, engaging and meaningful learning experiences.

Our outdoor education camps are an important part of the holistic education we provide at ACS (International), offering students valuable opportunities to develop confidence, independence and stronger relationships with their peers and teachers.

We appreciate your continued support and understanding as we finalised these revised arrangements. We look forward to providing our students with a memorable and rewarding camp experience in the new year.

Yours sincerely,

Gavin Kinch
Principal
