PART 2C: GUARDIANSHIP

All parents who live overseas, or who are not immediately accessible whilst their child is at school, are required to have a guardian who is a resident in Singapore. The guardian's role is a vital one. They are to support the student and to deputise for the parents when they are not available.

A guardian may be a relative or close friend of the parents but they must know the student who must be comfortable in having them deputise as a parent. As guardians are in a responsible position, they should be at least thirty years of age. Same sex or female gender is preferred.

A guardian should be aware of all the relevant aspects of the school operation and the education of the student for whom they are responsible. They should communicate regularly with the school, initially through Housemasters / mistresses, or through the International Student Pastoral Care Coordinator (ISPCC). Similarly, a guardian must be readily contactable by the school. The school will seek to keep in-touch with the guardian on a regular basis.

The school requires all guardians to complete a registration form and to update the school about any changes to their particulars. All guardians will be monitored by the school. Should problems emerge in the guardianship arrangements, the ISPCC's help can be enlisted.

For more information, contact the ISPCC at ispcc@acsinternational.com.sg. Please refer to Guardianship Policy of ACS (International) for more details.
