

YEAR 2 LANGUAGE OPTIONS

Pupils in Year 2 study twelve different subjects including English and another language option. The language option they study depends on whether the pupil is Singaporean, a Singapore Permanent Resident or an expatriate. Guidelines for choosing the language option are given below:

Singaporeans and Singapore PR Singapore Citizens / PR students should continue their mother tongue languages, if they wish to study in local university under the MOE Mother Tongue policy. In most cases this will be the language they studied for their PSLE.

Non Singaporeans Pupils who are not Singaporean (or Singaporeans who can provide an exemption letter from the MOE) are still required to study a second or foreign language.

Students exempted by MOE from their Mother Tongue Language are required to do a language at ACS (International). It can be a foreign language.

Please complete the information below
