

YEAR 2 LANGUAGE AND SCIENCE OPTIONS

Pupils in Year 2 study 12 different subjects including English and another language option. The language option they study depends on whether the pupil is Singaporean, a Singapore Permanent Resident or an expatriate. Guidelines for choosing the language option are given below:

- **Singaporeans and Singapore PR**
Singapore Citizens / PR students should continue their mother tongue languages if they wish to study in local university under the MOE Mother Tongue policy. In most cases, this will be the language they studied for PSLE.
- **Non Singaporeans**
Pupils who are not Singaporean (or Singaporean who are given an exemption letter from the MOE) are still required to study a Second or Foreign Language.

Students exempted by the MOE from their Mother Tongue Language must submit the Exemption Letter and are required to study a language at ACS (International). It can be a foreign language.

STUDENT DETAILS

Name (as in Passport/NRIC) <i>(Please underline surname)</i>	Preferred Name
Nationality <input type="checkbox"/> Singapore Citizen <input type="checkbox"/> Singapore PR <input type="checkbox"/> Others:	Mobile No.
Has the student ever been enrolled in a learning support programme? <input type="checkbox"/> Yes <input type="checkbox"/> No	

LANGUAGE DETAILS

Language studied in the last year at school	Level <input type="checkbox"/> Beginner <input type="checkbox"/> Elementary <input type="checkbox"/> Intermediate
Did the student follow a particular textbook? <input type="checkbox"/> Yes <input type="checkbox"/> No	If yes, please specify.

SCIENCES DETAILS

The Year 2 Modular Science curriculum is the second part of a two-year Lower Years Science Programme. It is taught in modules. There are three modules, each with a duration of 9 academic weeks. In each module, the curriculum for a specific discipline of Science, namely Biology, Chemistry or Physics, is taught.

Which Science subjects have you studied before? Physics Chemistry Biology

Students joining in Term 2 will choose 2 subjects out of Biology, Chemistry or Physics.
Students joining in Term 3 will choose 1 subject out of Biology, Chemistry or Physics.

Which Science subjects would you like to study in Year 3 IGCSE? Physics Chemistry Biology

Specific Science subjects to be studied in Year 3 will be determined by the Year 2 end-of-year examination results.
