

# ACS (Independent) Boarding School

The Warden of the Boarding School is the Principal of the Anglo-Chinese School (Independent) and the Deputy Wardens are Deputy Principals in the school. All Hallmasters and Hall Tutors are also ACS (Independent) teachers ensuring that boarders receive the same high standard of education, care and support throughout the whole day. The Warden is assisted in the day-to-day running of the Boarding School by various administrative, maintenance, cleaning, custodial and security staff.

~ Walt Whitman (1819-1892)

The Boarding School is a secure environment. Every boarder receives a set of the Boarding School's rules and regulations when they take up residence. In addition, each Hall also has its own specific administrative procedures and characteristic approach to guidance and discipline.

Boarders do have some restrictions on items which they may bring into the Hall. In particular, they should not bring any of the following:

- desktop computers
- refrigerators or coolers
- television sets and large audio equipment
- skateboards, bicycles or other vehicles
- cooking appliances

Visitors are permitted, but only in the common areas, and only with the permission of the Hall staff. No visitors of the opposite sex are allowed unless they are approved relatives. Boarders need permission to visit Halls other than their own, and also need permission to leave the premises at any time, or to return late (after 10 pm).
