SCIENCES DETAILS

The Year 2 Modular Science curriculum is the second part of a two-year Lower Years Science Programme. It is taught in modules. There are three modules, each with a duration of 9 academic weeks. In each module, the curriculum for a specific discipline of Science, namely, Biology, Chemistry or Physics, is taught.

Which Science subjects has the student studied before?

Physics Chemistry Biology

Students joining in Term 2 will choose 2 subjects out of Biology, Chemistry or Physics.

Students joining in Term 3 will choose 1 subject out of Biology, Chemistry or Physics.

Which Science subjects would the student like to study in Year 3 IGCSE?

Physics Chemistry Biology

Specific Science subjects to be studied in Year 3 will be determined by the Pre IGCSE end-of-year examination results.
