What the parents say...

"ACS (International) ignites students' passion to learn through building strong relationships with deeply devoted and highly experienced teachers and excellent pedagogic and sporting infrastructure. The school has achieved a fine blend of academic rigour and holistic learning. The emphasis on CCAs and community service as well as the ample opportunities for student leadership makes ACS (International) a 'cut above' and the preferred choice for our children."

Larisa and Shivinder Singh

"Sending our daughter to ACS (International) was the best decision we made. She used to be shy and introverted and has now become a confident, caring and motivated student leader."

Debra and Samuel Koh

"We deeply appreciate the contribution ACS (International) has made towards making our son confident, capable and thoughtful. The school has provided an environment of personal care, support and encouragement to nurture him into a compassionate young man. We are also very proud of his academic, leadership, co-curricular and public speaking skill development."

Anju Uppal

"We like the holistic learning environment of ACS (International). Apart from academics, the school gives the students plenty of learning opportunities outside the walls of the classroom through service trips in continents as far as Africa, school projects and events, CCAs, student leadership roles and more.

Our children thoroughly enjoy the IB programme, the holistic environment of the school, and are very proud to be students of ACS (International). The school has helped our children to grow and mature in so many ways, whilst equipping them with the necessary skills needed for their university studies and future endeavours. We are very glad to have sent both of our children to ACS (International)."
