

PUPIL PORTAL AND PARENT PORTAL

The school uses a Pupil Management System known as Internet-based Schools Administration Management System (iSAMS) to manage all of its data. iSAMS is a suite of powerful software modules that allow the school to manage every aspect of school life for teachers, managers, administrators, parents and students.

The Pupil Portal and Parent Portal are parts of this suite. They can be accessed via a web browser as well as through apps from both Play Store and App Store. All portal accesses can be found at <https://www.acsinternational.edu.sg/en/portals-new-3/> or click on "Portals" at the top of the school web page.

The Pupil Portal

Each new student will receive an information sheet containing login details of various portals including the Pupil Portal (<https://acsinternational.students.isams.cloud>). No registration of account is required. Alternatively, the iStudent App can be used. The school code of the app is **ACS**.

The Parent Portal

The Parent Portal (<https://acsinternational.parents.isams.cloud>) provides specific information about a student's life in school. It gives the parent secured access to key information about their child that is pulled directly from the Management Information System. The portal is 100% web based which means only a computer/laptop and a web browser are required to use it at any location with internet access.

Access is by invitation only after a student commences school. The parent will receive an email containing a registration number and a registration password along with instructions on how to register. Activation of account can only be done using a web browser, not the app.

Some of its features are as follows:

- Email
- Detention
- School Directory
- Timetable
- Reward and Conflict
- School News and Daily Bulletin
- Details of Teaching Groups
- School Reports and Assessments
- School Calendar
- Morning Attendance
- Common Documents

How to access the Parent Portal

To register using a web browser, click Parent Portal to bring up the login page. To register initially, click on Register using the Activation Letter Link.

Upon successful registration, future access can be done via iParent App which can be downloaded from Play Store and App Store. The school code is **ACS**.
