

CODE OF CONDUCT STUDENT

Expectations of Students

We have the responsibility to think and act right by having good manners, showing respect and care for others and the environment. We also have the responsibility of being good ambassadors for the school.

We will inspire others by treating all with dignity and respect with regard to gender, race, values, religion, and disabilities to help create experiences that are meaningful and uplifting for our community which in turn help create lifelong bonds and support networks that enrich our lives. ACS (International) community members must feel safe and secure at all times.

As citizens of Singapore, PRs, International Students, and members of the ACS (International) community we have the responsibility to show our loyalty and respect to the nation. We therefore observe the flag raising ceremony, pledge, and school song with dignity and pride.

We are obliged to observe and uphold the laws of Singapore as well as the policies and regulations of ACS (International) at all times. When we undertake an overseas educational programme, we will uphold our own Code of Conduct and are also expected to observe and uphold the laws of the host country.

We are expected to adhere to the same standards of behaviour online as we would in face-to-face interactions.

We have the responsibility to maintain and uphold the highest standards of personal integrity and academic honesty at all times.

We have the responsibility of showing our loyalty to the school by properly wearing our uniform in all situations.

We have the right to an education and therefore have the responsibility to attend all lessons, CCAs and other school activities punctually, prepared, and regularly. We also have the responsibility not to disturb the learning of others.

We have the right to a good classroom and school environment. We have the responsibility to be respectful and considerate to teachers and classmates. We will hold ourselves to have a zero-tolerance for any form of bullying behaviours.
