

# CODE OF CONDUCT POLICY

As a widely respected institution of learning ACS (International) aims to develop future leaders with an international vision, moral character, intellectual ability and deep compassion for humanity based upon Christian belief and values. Our mission is to nurture the academic, social, physical, cultural and spiritual growth of future leaders.

All ACS (International) stakeholders are expected to maintain and uphold the highest standards of integrity and honesty at all times, as well as embrace community standards, diversity and mutual respect for one another, both within the School, wider Singapore community, and global community.

The Code of Conducts are intended to guide and build community in both the academic and non-academic aspects of School life by providing an overview of the behaviour generally expected of all community members of the ACS (International) community. It is meant to serve as a broad framework, and should not be treated as an exhaustive rules list.

Codes of conduct are essential as they maintain an environment conducive for a nourishing community. The codes of conduct are more than just about rule following. They develop self-discipline, require adherence to values and honour. Therefore, keeping to code of conduct is important as it develops our character. In line with the above, the School expects all community members to uphold both the spirit and letter of the Code of Conduct at all times. A basis for this is found in Titus 3:1-2 "Remind the people to be subject to rulers and authorities, to be obedient, to be ready to do whatever is good, to slander no one, to be peaceable and considerate, and to show true humility toward all men."

The Code of Conducts are based on the following values held by our school known as IGNITE Values -

- I**nspiration and Impact – Inspiring Individuals, Impacting lives
- G**odliness
- N**oble Character
- I**ntegrity
- T**enacity (= Perseverance)
- E**xcellence

As well as the values identified, IGNITE speaks of "lighting the flame", the fire of the Holy Spirit, energy and action. All members of our community live by these values.

We have the calling to embrace the commandment of Loving Thy Neighbor that Jesus taught in Matthew 22:36-40 "Teacher, which is the greatest commandment in the Law?" Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment. And the second is: "Love your neighbor as yourself." All the Law and the Prophets hang on these two commandments."

The school currently has in place the following Code of Conducts:

- Students
- Staff
- Parents and Guardians
- Visitors
- Homestay Providers
- Homestay Staff
- Third Party Vendors
