

ACS (INTERNATIONAL) NEWSLETTER

IN THIS ISSUE

Dear Parents, Students and Friends

Leaving ACS (International)

As many of you know, I am leaving ACS (International) at the end of this year. After 7½ years of fulfilling, memorable and very enjoyable service here, and with very mixed emotions, I am returning to NZ to be closer to ageing parents, and to take up a role with the NZ Ministry of Education as a national manager leading the roll out of changes to the NZ secondary qualifications framework to schools across the country.

Over the past two weeks, I have enjoyed a number of farewells from the students, the staff, the Board and the PSP. I was also the recipient of many personal messages with people contacting me to say thank you and goodbye. The generosity of everyone in every respect has been quite overwhelming. An emotional time! I feel thoroughly affirmed and farewelled!

I am going to miss ACS terribly – especially the wonderful extended family of students, alumni, staff, our regional officers, Board, guardians and parents both in Singapore and around the region that together make up ACS (International). I'm going to miss our unique brand of international education in a Singaporean context; I'm going to miss the student activities in class, on the sports field, on stage, and completing acts of service. I might also miss making a fool of myself in front of the school – such as dancing and singing in public, appearing on videos, and having my car annually decorated! I will miss all things ACS – our traditions, our Christian faith, our pride, our successes, our place in the wider community, and of course, singing the ACS anthem loudly and proudly!

I'm very proud of all the improvements that we together have achieved – ranging from improved facilities to improved academic results, to increased opportunities in added subjects and CCAs, to an improved reputation in the community as seen by our ever expanding roll numbers.

I look forward to maintaining contact with the school family in the years to come. I know that the school is in good hands. The school will be well led by Mr Gavin Kinch who is taking over as Principal, and he will be supported by so many outstanding educators and students.

As we finish the year, we can all heave a sigh of relief after the many stresses and strains brought on by the pandemic, and we look forward with hope to 2021. Christmas is coming! Christmas is a time of hope – a time of festivities, and celebrated by many to remember the birth of Jesus Christ who was, and is, God's gift to us. When we give gifts at Christmas, the reason behind the giving is in remembrance of God's gift – Jesus Christ, the "reason for the season".

I wish you all God's blessing for 2021, and a special Christmas. Not everyone can be with family due to travel restrictions, but may you each have some rest and revitalisation over the Christmas break, a chance to share gifts, and time to connect with friends and family either physically or virtually.

Best wishes always.

Principal

Message from Chairman, BOM

Our Principal, Mr Rob Burrough, is leaving the school after completing 7½ years of faithful service. His contract ends on 31 December 2020. He has served the school with great distinction and will be returning to New Zealand for family reasons. We wish him every success in his future endeavours.

The incoming Principal, effective from 1 January 2021, will be Mr Gavin Kinch, currently a Vice Principal with the school. We congratulate him on his appointment and wish him every success.

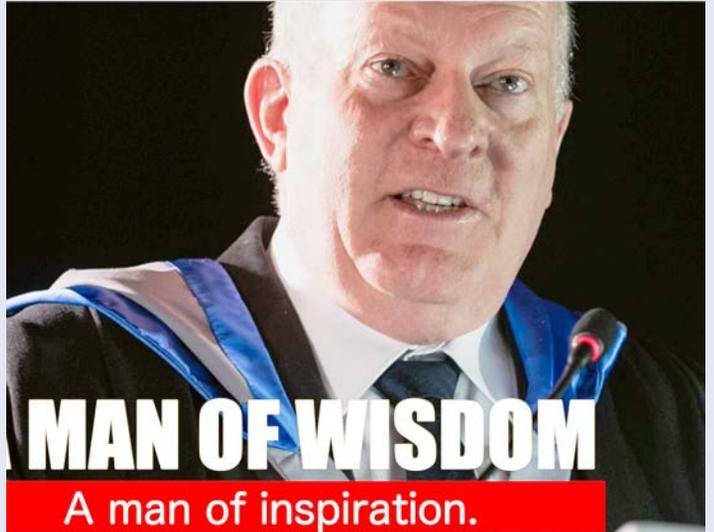

*Tan Wah Thong
Chairman, Board of Management*

Farewell Mr Burrough

On Sunday 15 November, Mr Burrough announced his resignation from ACS (International) after 7½ years of outstanding and faithful service. After his announcement, Mr Burrough was overwhelmed with emails, messages and visits from staff, student, parents, alumni and ACS partners who all wanted to express their thanks and gratitude to him for all that he has done for the school and for touching their lives.

The photos below capture a small fraction of the farewells that took place. The whole school community wishes Mr Burrough well as he takes up a senior role rolling out the new national curriculum to schools in New Zealand. We will miss you, Mr Burrough! The Best Is Yet To Be!
(Note: A few photos were taken prior to the COVID-19 outbreak.)

STAFF NEWS

Farewell

At the end of this academic year, we bid farewell to some long serving staff. It is always hard to say farewell to colleagues who have contributed so much to the school over a number of years.

This year, we farewell two Chemistry teachers who started with the school back in 2005 and who are now retiring – Mdm Phua Mui Kiam and Mdm Josephine Teo. Theirs is a story of longevity, faithfulness, long service, and great commitment and dedication.

We are also sad to farewell:

- Mr Michael Hollis and Mrs Kathleen Hollis (both from English Faculty) who are returning home to family in the United Kingdom;
- Ms Gloria Guerrero (Biology Department) who is following her husband back to Spain;
- Mr Frank Yip (Mathematics Faculty) who is exploring options in the United Kingdom with his Hong Kong-UK Overseas passport; and
- Mrs Agnes John, our Christian Ministry Staff member, often seen in Chapel, who is retiring.

It is a shame that we cannot physically honour them in a final assembly but we thank each one of these staff members for their strong contribution to ACS (International) and its students, and we wish them well for the future.

New staff appointments will be announced in the first newsletter of the New Year.

CCAs 2021

CCAs at ACS (International) will resume in January 2021. In what form these CCAs will resume is yet to be confirmed and will very much be dependent on the advisories from the MOE and the relevant Phase 2 or 3 regulations that are in place at the time.

The school will release a 2021 CCA schedule in the new year, but this will very much be subject to change if the regulations are modified. We appeal to your patience and understanding in this regard.

The school will continue to use "SchoolsBuddy" to organise, manage and review the CCA activities of the students. Students can download the SchoolsBuddy app now on their mobile device to receive all of the up-to-date information about their CCA(s) on the move. Download the app for iOS devices [here](#) and Android devices [here](#) or alternatively sign in on any web browser [here](#).

For those who have logged in previously, please retain your SchoolsBuddy account. For those who may have lost their login credentials, we can reset the password upon request.

For students and parents who are new to the school, we will send an activation email after your enrolment but before the **2021 CCA Fair on Tuesday, 12 January 2021, at 3:15pm**. Students should be ready to attend the CCA Fair to ask questions and find out about the various CCAs that the school has to offer before making new sign-up selections via SchoolsBuddy. Students can make their selections based on the order of preferences across a broad range of CCAs from Sports to Interest Groups to the Arts.

Each student is required to attend at least one CCA over the course of the school year, with many of our students attending more than one. Please keep your eyes peeled for future correspondence on SchoolsBuddy with regards to this.

For specific enquiries, please feel free to contact:

Sports CCAs: Mr Mike Patterson michael.patterson@acsinternational.edu.sg

Interest Groups CCAs: Dr Kris Achter kris.achter@acsinternational.edu.sg

The Arts CCAs: Mdm Chang Hung Tho hungtho.chang@acsinternational.edu.sg

Year 6 IB Results Release: An Update

The results of the November IB Diploma examinations will now be released online to students at 2:00pm, Sunday, 3 January 2021. Year 5 anticipated results will also be released online at the same time. (This is a change to the timeline previously advised by the IBO and printed in the October newsletter.)

A hardcopy of the student's result slip will be released in the Library on Monday, 4 January 2021, at 3:30pm. The school will share the cohort's statistics and top performers; plus be available for counselling/queries, etc. Thereafter, students may wish to collect it from the General Office from 9:00am to 5:00pm on weekdays.

Start of 2021 Arrangements

Year 5 IBDP

The start date for our own Year 5 students who qualified for entry via DSA (based on their Year 4 preliminary examination results at the end of Term 3 in 2020) and 2020 Pre IB and Foundation IB students who qualified, will be Thursday, 7 January 2021. New students from the 'O' Level track and our own students who did not qualify for entry via DSA will start as soon as they have been approved for entry. Due to the school holidays, the issuing of transcripts and testimonials has now closed for the year.

Writing to the School

Parents/Guardians who write in to the school via email or with a hardcopy letter for school absence, approval for leave, etc. should include the official name, year and House of their child/ward (e.g. Alan Tan Hong Tong, 2 SVM), to facilitate prompt attention.

STUDENT SUCCESS

Year 5 Student's Artwork Label Selected

Manya Nahata's (5 SVM) artwork label has been selected out of hundreds of entries submitted nation-wide for the National Gallery's 5th Anniversary celebrations. Her piece was the only one from our school to be picked by the Gallery. The curators were very impressed by her writing in response to a challenging piece of abstract artwork.

Manya's artwork label is now on display for public viewing at the National Gallery, and can be found at the South East Asia Gallery 9 (Fernando Zobel's Saeta 44).

For the Gallery's 5th Anniversary, we invited people of all ages and walks of life to share their diverse perspectives on our artworks.

Engulfed within the hustle and bustle of life, we never stop for a moment to appreciate the creation of Earth. Within *Saeta 44*'s chaos, there is order. Within failure, there is success. Within our irrational minds, there is lucidity. Within this spontaneity of white and yellow paint splayed across the canvas, there is precision. Life is full of bliss and anguish but behind this contrast shines the beauty of the juxtaposition of life. Live on, the artist seems to say, and find your moments within your own journey for the true meaning of life lies behind the sheer splendor of chaos.

Manya Nahata, 17 years old, is a student at Anglo Chinese School (International). An adventurous soul, she left behind her family and friends in India and learnt how to adapt, evolve and thrive in this new welcoming environment.

Fernando Zóbel
(b. 1924, Spain; d. 1984, Italy)
Saeta 44

1957
Oil on canvas

Collection of National Gallery Singapore
2017-00953

This acquisition was made possible through the generous support of Lam Soon Cannery Pte. Ltd.

Lines of white and yellow paint splay out in numerous directions here, giving the impression of rapid movement. Fernando Zóbel initially struggled to create such thin, controlled lines with oil paint. He arrived at the solution of using a surgical syringe with the needle removed after seeing a cook write "Happy Birthday" on a cake with icing. While this work may appear spontaneous, Zóbel often made several preparatory studies for his paintings.

This work is part of Zóbel's renowned *Saeta* series, inspired by the forms of scaffolding. Zóbel often encountered these structures while working on construction sites as a part of his family property business in Manila, Philippines.

EVENTS & ACTIVITIES

End-of-Year Activity Days

The end of an academic year is a time for fun, collaboration, competition and extended learning through activities that offer students a change from their normal routine! This year, students in Years 1 to 3, Pre IB and Foundation IB took part in End-of-Year Activity Days on Wednesday and Thursday, 11 and 12 November, with the theme UN Sustainable Development or Global Goals.

Through a variety of challenges across different faculties, students were given the opportunity to learn about the Global Goals and how they can contribute to the achievement of these goals by 2030, whilst at the same time using the skills of each faculty area.

Challenges ranged from the creative – creating glass bottle designs and displays from recycled materials, reflecting the need to protect life underwater and on land in Art; to the physical – designing and taking part in an inclusive game, to help with the understanding of equal opportunities and the need for good health and well-being in PE; to those showing ingenuity – designing and building machines capable of converting energy, promoting the use of renewable energy in Science.

No matter what the nature of the activity is, students engaged with the global goals and problems faced by people around the world. In Languages, Year 1 students were involved in an interactive multilingual treasure hunt, which involved clues and completing mini challenges, putting themselves in the shoes of refugees in a new country and the language challenges faced. In Mathematics, Humanities and English students created advertisements and posters raising awareness about issues such as global hunger and gender equality. To catch a glimpse of the activities that the students participated in, click [here](#) to view a video.

Competition was fierce across all year groups and activities, but when all points were added up, the House tutor groups that emerged victorious were 1 CKS, 2 CKS/2 Oldham and 3/4 SVM.

Well done and congratulations to all students who took part. We hope that each student can go forward and aim to be a goalkeeper, even by small actions in their daily lives.

Barrett Music Competition 2020

Music is a subject that grows and works with time and technology. We see how people begin to make more music with the use of both real instruments and digital tools and work on the virtual platforms during this pandemic period, allowing people to still enjoy music in this new normal.

Similarly, music-making experiences are just as organic. For the Barrett Music Competition this year, we moved onto a new virtual platform and have musicians record their performances virtually so that we can all still enjoy the beauty of music with safe-distancing measures set in place!

Musically, our spirits are not hampered by the coronavirus pandemic, for music-making can still be as interesting and as vibrant as before! So yes, the Barrett Music Competition 2020 had "virtualised"! All music contestants and the bubbly emcee Renee Joy Tan (3 CKS) were video-recorded to carry out the virtual music competition.

The Barrett Music Competition is the highest music award given to individuals who has deep passion in music and expression. To encourage participation, for 2020, we have had five new categories:

- Piano
- Vocal
- Mixed Instruments
- Percussion
