

Safe Measurement Measures – Trace Together

Students need to Check In using the Trace Together system either when they arrive at school or in their Tutor Group.

The school is ready for Trace Together Tokens for any staff or students who do not use the app. This has to be done at the Gate, not in Tutor Groups

Safe Management Measures – Face Masks

All students are required to wear a face mask at school.

During PE lessons, students and PE teachers will not be required to wear masks when doing strenuous physical activities such as running and drills for warm-ups. They will have to put on their masks at other times.

Face masks need not be worn while eating and drinking but should be worn at all other times during lunch.

Note that Face masks must be provided by students, they are not provided by the school.

Safe Management Measures – Face Masks

Face Masks

How to use

- Make sure your nose and mouth are covered.
- There should be no gaps between the mask and your face.

Safe Management Measures – Face Masks

Eye protectors

Students are permitted to wear clear eye goggles or a Face Shield at school if they wish to, but they must also be wearing a Face Mask.

Face Mask Styles

avoid inappropriate masks being worn at school, the masks must adhere to the following to be worn at school:

- **Single neutral colour**
- **No logos, designs or patterns**

Examples of appropriate and inappropriate Face Masks can be found on the following slides.

Examples Face Mask Styles Permitted

Example Face Mask Styles NOT Permitted

Tennis Courts and Sports Field are out of bounds

Respect rules that are for everyone's health

Canteen Clearing

In order to reduce exposure of our cleaners to possible virus transmission all students need to clear up their own plates in the canteen

Class Seating

There is a fixed seating in classrooms

You will be given equipment to clean
your desk before and after use

Seating in classrooms is not to be moved around

Seating in Science Terrace Marquee is not to be moved around

Social Distancing Video

Please enjoy this video made by the 16th Prefect Board

<https://vimeo.com/432370840>

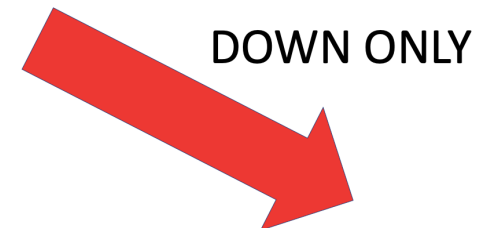

Lifts and stairwells

All lifts are out of bounds to students due to overcrowding

Students are no longer allowed to take the lifts to top floors

All stairwells are now marked as either “Up” or Down”
Please follow these directions at all times.

CCAs

According to MOE CCAs will gradually be brought back in Phase 3.

The school will release more details about this as decisions are made.

Social Distancing

If you do not follow teacher instructions in relation to respecting Social Distancing you will be dealt with by your HSM.

Your parent\guardian will be sent a formal warning letter indicating that if you do not comply again you will be suspended from school
