

Recreational Sports CCA Schedule 2021

Sign-ups close Thursday 6 May 2021

Dear students, parents and guardians,

I am pleased to inform you that the planned schedule for the upcoming Recreational Sports CCA season 2021 has been updated. The changes to the schedule include the addition of more activities to provide for and engage our study body and also some logistical changes (days/times and groups size limits). As a result we have reopened the Recreational Sports CCA Season sign-ups and students/parents can now select their Sports CCAs for this upcoming season. For those who have already completed their selections earlier in the year, you can still amend your selections before the closing date.

The closing date for the final Recreational Sports CCA season 2021 selections is **Thursday 6 May 23:59**. After the closing date the allocation process will begin and the schedule will be finalised (based on the take-up of sign-ups). Please bear in mind that your **SELECTIONS ARE NOT CONFIRMED UNTIL THE ALLOCATION PROCESS HAS BEEN COMPLETED AND THE ALLOCATION EMAIL/NOTIFICATION HAS BEEN RECEIVED** (a confirmation email/notification of your selections is sent once you submit your selections – this is not confirmation of your acceptance to the CCA, just merely a notification to say we have received your selections).

Selections can be made via the bookings tab button or via "Activities & Clubs" tab. Guidance on how to make CCA selections can be found [here](#). Also please see the schedule for an overview of the weekly structure, venues and time slots for each CCA.

Students can make a maximum 3 choices per week in order of preference (e.g. 1= 1st choice sport, 2- 2nd choice sport etc...), where possible we will try to allocate first choices, if not then second choices (and so on).

All recreational sports CCAs are mixed gender unless specifically stated otherwise (in the student/parent view you will only see the CCAs that your son/daughter/ward is eligible for).

All recreational sports CCAs are open to all ages unless specifically stated otherwise (again, in the student/parent view you will only see the CCAs that your son/daughter/ward is eligible for).

All recreational sports CCAs are pending confirmation. Each CCA has a minimum requirement and a maximum capacity. The finalised schedule will be confirmed once sign-ups have closed.

As ever, if you have any further questions regarding sports CCAs please contact Mr Mike Patterson via email at michael.patterson@acsinternational.edu.sg

You may log in [here](#) for more details.

Kind regards,
Mr Mike Patterson
Head of Faculty for PE and Sports CCAs
