### Home Based Learning (HBL) Day

Dear Parents and Guardians,

Recently Singapore has seen a rise in community COVID-19 cases which has resulted in the tightening of restrictions by a move to *Phase 3 – Heightened Restrictions*.

While we hope it will not be necessary, we need to continue to ensure that our school is ready to move to HBL if necessary. With Term 2 coming to a close, it is important that we test our systems and procedures prior to the long break. This will make it easier for the school to respond to any deterioration of the situation over the June holidays.

Therefore, the school will be holding a HBL day for all year levels on:

**Tuesday 25 May 2021**

For more information about HBL, including an FAQ and what you should expect, please visit the link below.

<https://www.acsinternational.edu.sg/en/safe-management-measures/>

If you have any questions about HBL please feel free to contact the school.

Yours sincerely,

Gavin Kinch  
Principal
