

International Baccalaureate Diploma Review Outcome 2021

In mid 2021, ACS (International) underwent its 5-year external International Baccalaureate Diploma Review.

The school is pleased to announce that ACS (International) was re-accredited with the International Baccalaureate Organization with no matters to be addressed.

The report commended the school on our understanding and commitment to the philosophy of the IB, the action we take in the community, the extensive support provided to students and the training provided to staff.

On behalf of the Senior Leadership Team, I would like to thank all members of staff who have worked towards this outcome over the past two years. I would like to especially mention Ms Carol Ling (IB Coordinator) who led the IB review team through this process.

Yours sincerely,
