

Dear Parents & Guardians of ACSians

Greetings from Chen Su Lan Methodist Children's Home (CSLMCH).

We are grateful to the ACS Schools and the ACS family for partnering our Home for a fund-raising project to commemorate its 135th Anniversary.

May God continue to guide and bless the schools planted by your Founder, Bishop Oldham, that continue to this day in shaping young lives.

What do we do at CSLMCH?

CSLMCH has existed for more than 50 years. We provide care and protection to boys and girls between the ages of 5 and 21 years old.

Our Home is an approved Voluntary Welfare Organisation registered under the Charities Act and a full member of the National Council of Social Services (NCSS). The Home has been accorded the Institution of Public Character Status (IPC) by the Ministry of Finance.

As a charity, we rely on donations from individuals and organisations to defray the costs of running the Home and to supplement the funding we receive from the government for our children's personal, educational and developmental needs.

Who will benefit from this fund-raiser?

Behind this fund-raiser are children from disadvantaged home environments and dire family situations. The CSLMCH is a residential home that serves as a haven of healing and restoration for them. Our aim is to give the children entrusted to our care a stronger and firmer start in life. Every child deserves this.

How to support the fund-raiser?

The school will be distributing the appeal envelopes to your child to bring home to you. Please enclose your donation in the envelope and return it to the school through your child. Instructions on how to apply for tax deduction are provided on the envelopes.

* Should you wish to know more about volunteering at the Home, please tick off the required box on the envelope and we will get back to you.

Making a Difference...

We hope that you will donate generously to our Home through this fund-raising project with your child. Your support will certainly make a difference.

Every donation will go towards supporting our children so that their future is one where they can confidently say "the best is yet to be".

Warmest regards
