

2021 IGCSE Results

ACS (International) wishes all our 2021 Year 4 students well for their IGCSE results on Tuesday 18 January at 5pm.

The results will be released online with candidates requiring their PIN to access to online results. If your child does not know their PIN number they should contact, Mr Gregory Goh at gregory.goh@acinternational.edu.sg

DSA IGCSE students

Students who gained DSA last year have already commenced their studies and so they will attend school as normal this week.

IBDP Admissions of Non-DSA IGCSE students

For a number of students the IGCSE results will be used to determine whether they will be enrolled into the IB Diploma programme at ACS (International). Students and parents can find the school's Student Progression Policy on the website under "Life at ACS -> Community Policies". However, in simple terms, students need to achieve 3As and 3Bs in a combination that allows for an IB group of subjects to be selected.

Please note that enrolments are extremely limited in Psychology.

Progression Procedure on Wednesday 19 January

For students who qualify for IBDP at ACS (International) they and their parents are invited to come in the morning to discuss progression and suitable subject choices. The main IBDP subject consultation will take place from 8.30am to 12.30pm.

For students and parents who cannot make it in the morning they should call the school's main reception on +65 6472 1477 and arrange a time for later in the day.

Support for Students who do not meet IBDP Progression Criteria

Students who do not meet the minimum criteria for progression to IBDP will be directed to the Higher Education staff for advice on other educational options. Staff will be available from 8:30am in Library Block Level 6.

Students who cannot make it on the day can schedule a meeting with Ms Rita Kaur on another day – Rita.Kaur@acsinternational.edu.sg

IBDP Induction Sessions – 19 January 2022

For those students who are admitted to the IBDP programme on the day, there is an Induction Programme starting at 2:30pm to 4:30pm that is compulsory for them to attend. Please head to Oldham Chapel by 2:30pm.

On Thursday 20 January non-DSA students who have been successfully admitted will commence their IB studies.

If there are any questions about this process please contact Mrs Tan at siewhoon.tan@acsinternational.edu.sg

Yours sincerely,
