

Anglo-Chinese School Independent Boarding School

Established in 1994, the ACS (Independent) Boarding School is home to about 500 students and staff. Each hall has carefully selected resident staff who provide a balance of academic and pastoral support.

The ACS (Independent) Boarding School aims to:

- Provide a comfortable, secure and caring environment for living and learning
- Inculcate moral and social values based on Christian principles and virtues
- Foster esprit d'corps and develop leadership potential in a closely knit community
- Enhance self-confidence and nurture a sense of communal responsibility
- Encourage holistic development through a wide range of enrichment, cultural, recreational and sporting activities

Management

The Warden of the Boarding School is the Principal of ACS (Independent) and the Deputy Wardens are Deputy Principals in the school. The Hall Masters and Hall Tutors are teachers from ACS (Independent) and ACS (International). They ensure that boarders receive the same high standard of education, care and support throughout the whole day.

The Warden is assisted in the day-to-day running of the Boarding School by various administrative, maintenance, cleaning, custodial and security staff.

Boarders' Room

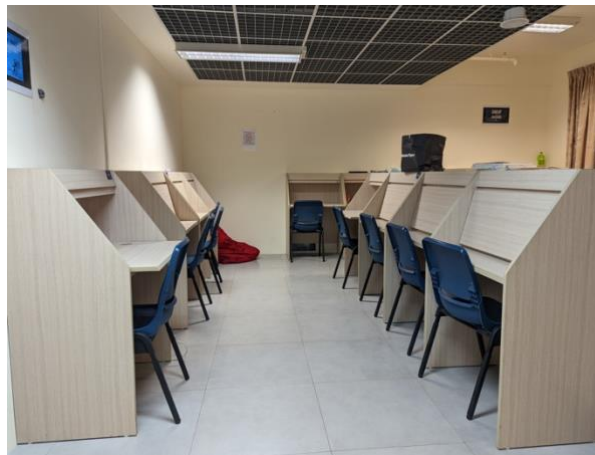

Each Hall of Residence has 2 types of rooms – double room and single room.

The rooms are subject to availability and the allocation of boarders to double rooms is done by the Hall Staff, who takes into account the age, responsibility level, and specific needs of each boarder.

Each boarder has a personal study area (desk with chair), book shelf, bed, wardrobe and wastepaper bin. There is also additional storage under the bed for bulky items. Bed linen will be provided, although boarders can opt to use their own. Each room has attached bathroom facilities. Ceiling fans and air-conditioning* are also provided.

The rooms will be cleaned once a week. Boarders are still expected to dispose their own trash and maintain the cleanliness and tidiness of their own rooms.

**Air-conditioning in the bedrooms run from 10pm to 6.30am on weekdays and 10pm to 8am on weekends.*
