

## 2022 IGCSE Results

ACS (International) wishes all our 2022 Year 4 students well for their IGCSE results on Wednesday 18 January at 5pm.

The results will be released online with candidates requiring their PIN to access to online results. If your child does not know their PIN number they should contact Mr Gregory Goh at [gregory.goh@acsinternational.edu.sg](mailto:gregory.goh@acsinternational.edu.sg)

### **IBDP Admissions of Non-DSA IGCSE students**

For a number of students, the IGCSE results will be used to determine whether they will be enrolled into the IB Diploma programme at ACS (International). Students and parents can find the school's Student Progression Policy [here](#). However, in simple terms, students need to achieve 3As and 3Bs in a combination that allows for an IB group of subjects to be selected.

### **Progression Procedure on Thursday 19 January**

For students wishing to pursue IB studies or for those who need assistance finding a new education provider, there will be counsellors available on the day. Students and parents are invited to come in the morning to discuss progression. For students and parents who cannot make it in the morning they should call the school's General Office on +65 6472 1477 and arrange for another time.

The main IBDP subject consultation will take place from 8.45am to 12.30pm in the Conference Room next to the General Office.

### **Support for Students who do not meet IBDP Progression Criteria**

Students who do not meet the minimum criteria for progression to IBDP will be directed to the Higher Education staff for advice on other educational options. Staff will be available from 8:45am to 1:00pm.

Students who cannot make it on the day can schedule a meeting with Ms Rita Kaur or Mr Nicholas Chia on another day – [Rita.Kaur@acsinternational.edu.sg](mailto:Rita.Kaur@acsinternational.edu.sg); [nicholas.chia@acsinternational.edu.sg](mailto:nicholas.chia@acsinternational.edu.sg)

**Optional Higher Education Guidance Session**

The Higher Education and Careers department will be running two short sessions that guide students on using university entrance criteria to choose IB subjects. The sessions will last about 20 minutes and are optional to attend.

The sessions will run at 9:30am and 10:30am in Oldham Chapel on Thursday 19 January.

**IBDP Induction Sessions**

For non-DSA students who are admitted to the IBDP programme there is an Induction Programme on Friday 20 January starting at 8.45am in Oldham Chapel that is compulsory to attend. Thereafter, they will attend a session on CAS until 11.30am.

On Monday 30 January non-DSA students who have been successfully admitted to Year 5 will commence their IB studies. Please refer to ISAMs Pupil Portal for your timetable.

If there are any questions about this process please contact Mrs Tan at [siewhoon.tan@acsinternational.edu.sg](mailto:siewhoon.tan@acsinternational.edu.sg)
