IBDP Results 2023

ACS (International) congratulates the Graduating Class of 2023 on their outstanding IBDP results. The cohort had a 96.55% pass rate and achieved an average score of 35.41 points which is expected to rise after re-marks are complete. 94% of our students achieved scores over the IB World Average of 29.06 points, with 20% gaining a score of over 40 points. We are particularly proud of the three students who received a perfect score of 45 points.
