## Founder's Day 2024

Dear Parents and Guardians,

The Anglo-Chinese Schools will celebrate Founder's Day on Friday 1 March 2024.

At ACS (International) students are to report to school at the normal time, 8:00am. Students are to be dressed in their Formal attire.

The programme will commence with a formal assembly that reflects on ACS's contribution in Singapore. Once the formal assembly has finished, the ACSprit De Corps will commence. During this time students will participate in a number of competitions to celebrate Founder's Day. ACS (International) extends its thanks to the PSP who are supporting this event.

School will finish around 11:30am that day, at which point students can leave the school.

I am looking forward to celebrating the 138<sup>th</sup> Founder's Day of ACS and reflecting on everything that the ACS schools have achieved.

Yours sincerely,

Gavin Kinch  
Principal
