

25 March 2024

## Gate C - Closed

Dear Parents, Guardians and Students,

Due to upcoming construction on the school property, from Tuesday 26 March onwards, Gate C will no longer be in use and Gate B will be used instead.

Students who are dropped off at the rear of the school, can continue to be dropped off there, but they will need to walk around (to Gate B) to enter the school. Please see below of the route they will need to take:

If there are any issues experienced with this, please let the school know.

Yours sincerely,

Gavin Kinch  
Principal
