## Lunar New Year Celebrations 2026

Dear Parents and Guardians,

恭喜發財

Gōng xi fā cái

The school wishes all members of our community a very happy Lunar New Year!

On Friday 13 January the school will be celebrating Lunar New Year in the morning through a festive programme for our students. The celebrations will end around 10:15am, at which point students will return home.

The school will be closed from Monday 16 February through to Friday 20 February. We look forward to welcoming students back to resume Term 1 on Monday 23 February.

Yours sincerely,

Gavin Kinch  
Principal
