THE PRINCIPAL'S WELCOME MESSAGE

Dear Parents / Guardian,

A warm welcome to ACS (International)! You are joining a great school with many opportunities and challenges extended to every student for them to achieve their potential. We are very proud of the many features which make us quite special including our strong academic performance in the IGCSE and IB Diploma international curricula, the equal mix of local and international students and staff, giving us the best of both worlds, and the all-round holistic education underpinned by our dual Christian and ACS heritage.

We regard ourselves as a family. The concept of family is important to all cultures and in this diverse and inclusive school, we look forward to supporting, encouraging and challenging all students to achieve to their potential in every aspect of school life. We are confident that you too will enjoy being a part of the ACS (International) family and we wish you every success in achieving your hopes, dreams and goals. We look forward to a strong partnership between home and school and to seeing parents and guardians at the various school functions.

We believe in effective two-way communication with parents and guardians, and we have developed a number of systems to support this process. These include email contact, the school website and "Parent Portal", monthly newsletters, formal reports every term plus two Parent-Teacher Meetings per year. We encourage parents and guardians to contact the school to share student successes, to advise absences, to ask questions and to give comments. We ask that parents, guardians and students inform the school office quickly if you have a change of email or phone number. The school email for general enquiries is general@acsinternational.edu.sg.

This booklet contains much information to assist the smooth running of the school. Please read carefully to ensure maximum success at school. Of special notice, students admitted to Years 1, 2, 3, FIB or Pre IB should take note of the Service and Adventure Camp, which takes place at the end of the year.

ACS (International) graduates are confident, successful and well prepared for the future. They will have a positive and increasingly significant impact in local, national and international contexts. We look forward to working together to "Nurture Future Leaders and Global Citizens in our Christian Community". The Best Is Yet To Be!

Yours sincerely,

Gavin Kinch
Principal

ABOUT US

Heritage and Philosophy

Anglo-Chinese School (ACS) has shaped the lives of hundreds of thousands of students since its founding in 1886. Today it has grown to family of six fine schools in Singapore and one school in Indonesia.

The ACS motto is “The Best is Yet to Be”. We believe that we are all created by God, and have God-given purpose. This drives our attitude to providing our students with as much opportunity as possible so that God’s will for each of us may be fulfilled. We are an international school that embraces Singaporean values, so we sing the national anthem at flag-raising every morning.

Our Vision

We develop future leaders with moral character, intellectual ability, international mindedness and deep compassion for humanity based upon Christian belief and values.

The **Guiding Statements** below are used to help realise the vision above. These statements inform decision-making within the school and guide the school as it outworks high quality learning and intercultural understanding for both students and staff.

Christian Character

To nurture the development of Christian belief and values, outworking our school IGNITE values and creating an environment for all members of the community to grow spiritually.

International Mindedness

To enhance the international mindedness of all members of the school community by promoting awareness of intercultural understanding and their role as global citizens.

Student Development

To encourage the holistic development of our students in Christian character, leadership, service and personal skills based on the IB Learner Profile and school IGNITE values.

Learning and Academic Achievement

To promote a genuine love of learning and encourage creative, critical and reflective thinking for every student to attain the best academic achievement within each student’s capabilities.

Student Well-Being

To provide a safe, welcoming and affirming environment reflecting the school’s child protection and safeguarding guidelines, to develop students socially, physically, emotionally, intellectually and spiritually.

Staff Community

To provide a safe, welcoming and affirming environment promoting staff well-being; recruiting and retaining a balanced, diverse mix of well qualified international and local staff who offer a blend of academic rigour and internationalism in our unique Singapore international school environment through provision of professional development to model and enhance a continuous love of learning and effective performance.

Home and Community

To develop strong partnerships with all stakeholders to ensure the safety, well-being and holistic development of all students, including those in Boarding and Homestay arrangements.

Physical Environment

To provide a safe and secure learning and working environment that meets the needs of all students and staff, and is conducive to high quality learning.

Values

Our values help define and empower us. They contribute to our sense of purpose and vision, and inspire collective action. Our IGNITE values are:

- Inspiration
- Godliness
- Noble Character
- Integrity
- Tenacity
- Excellence

As well as the values identified, IGNITE speaks of ‘lighting the flame’, the fire of the Holy Spirit, energy and action. All members of the ACS (International) community live by these values.

The ACS Anthem

*In days of yore from western shores
Oldham dauntless hero came
and planted a Beacon of Truth and Light
in this island of the Main.*

*Here may it stand from year to year
Emblem of grand endeavour
the regions round echo the sound
of A.C.S. forever.*

*Our hearts our hopes our aims are one
No discord e'er will sever.
We'll stand together for the cause
of A.C.S. forever.*

*(Chorus)
Sing A.C.S. forever more,
our A.C.S. forever.
God save our land and heaven bless
our A.C.S. forever.*

*Our students hail from China's plains
and the Land of Rising Sun.
We have many sons from India's strand
and the islands of the Main.*

(Chorus)

IMPORTANT INFORMATION AND NOTICES FOR ALL STUDENTS

The House System

The school has established a House system to ensure that all aspects of a student's life are catered for in line with the school's Vision and Mission. Each student will be assigned to a House and informed of their Head of House and Tutor during Orientation. They will meet with their Head of House (HOH) and House Tutor (HT) formally on the first day of school where they will receive their final timetable and can clarify any area in doubt.

With parental request at admission, new students with older siblings or from an ACS school will be placed in the same house.

Heads of House

The Heads of House (HoHs) have a coordinating role for all activities, and also oversee all pastoral aspects of the school including attendance and discipline. They are supported by House Tutors. Each House Tutor looks after approximately 20 students of the same year level. **The House Tutors and HoHs should be the first point of contact with the school.**

"Meet the Tutor" meeting is held in Term 1 for parents of Year 1 students.

IMPORTANT INFORMATION AND NOTICES FOR ALL STUDENTS

Progression

Progression to the next stage of study is dependent on the student meeting the criteria for progression. Of significance, late starting students who have missed classes are expected to catch up with the content they missed in order to meet progress requirements for promotion. They are encouraged to use the school's additional academic support to help do so. Parents receive the progression policy at admissions, and it can also be found on our website.

Attendance

Classes begin at 8:00am except Tuesdays and student attendance at school is recorded electronically each morning by House tutors. If a student is late or absent without a valid reason, an email will be sent automatically to their parent with a follow-up later. Students who are late for school should report to the school office immediately on arrival.

All absences and late-coming will be recorded on the student's end-of-year report and on their transcript. The school only accepts a maximum of two parent letters per term for an explanation of absence. A medical certificate (MC) is required for sick leave.

Student Card

This card serves to identify the student during school registration, library books loan as well as photocopying service. A student account, along with a school email address, will also be generated to allow the student to access the school intranet and iSAMS student management system. Students should see Rosdiawati Hamdan from the IT Department if card is missing

Language and Subject Options

New students in Years 1 and 2 need to identify the second language they wish to study (see Academic Option Forms). Singaporean and Singaporean PR students follow the MOE MTL framework. All other students are required to study a foreign language, including local students who are exempted from MTL.

All students commencing Years 3, 4 Foundation IB, Pre-IB and 5 are to confirm their subject/Science option by completing the form(s) (see Academic Option Forms). Those who wish to change their option(s) have to use these form(s) too.

Booklist

Students are to refer to the school's website for the booklist for the various year levels.

Laptops

All students are required to have a laptop. Please check with the IT department on details regarding IT equipment specification.

Transportation

Students who wish to use the school bus to commute to and from school must complete the Transport form. Kindly note that this engagement is a personal arrangement between the parent/guardian and the operator. Concession for public transportation at this juncture is only available to Singapore Citizens only.

ADDITIONAL INFORMATION FOR INTERNATIONAL STUDENTS

Student Pass Application

Non-Singaporeans (non-Singapore Citizens and Permanent Residences) are required a valid study visa to study in Singapore. These are limited to one of the following:

- 1) Student Pass
- 2) Dependent Pass
- 3) Long-Term Visit Pass with ICA Consent Letter
- 4) Immigration Exemption Order

Students requiring study visas, including those who are pending appealing outcomes, are not allowed to commence their studies with ACS (International) unless a Digital Visa from the relevant authorities is sought.

The agent or the school recommends that the guardian be familiar with the process. A brief outline of the application process is as follows:

Go to www.ica.gov.sg → e-Services and Forms → Student's Pass → SOLAR+ → 'Click here if you wish to access FSS → Apply and pay issuance fee → Applicant to wait for email from ICA regarding In-Principal Approval (IPA) → Call Ms Serene Lim/Admissions Department and the school will email the IPA letter to the applicant → Applicant to bring along relevant documents as stated in the IPA letter to ICA for collection of the student pass.

After application, if international students do not hear from ICA, they should take the initiative to check on the application status.

All international students are reminded that it is their responsibilities to ensure that they are aware of the conditions that govern the student pass. This includes the important condition that they must not be absent from school for a period of 7 days without valid reason during term time.

For any queries related to after-hours welfare, international students can get in touch with Mdm Chin Siew Chin (IPC) or see her in SB 4-1.

Bank Account Opening

To open a bank account, international students have to visit the bank in person with their guardian/parent. They also need the following documents when opening an account with their:

Guardian

- Valid passport
- Student Pass
- Address in the form of a recent bill or certification of address
- Letter from school certifying that the guardian is the legal guardian of the student
- Initial deposit (this amount varies from bank to bank)

Parent

For international students from Oldham Hall, one-way transport is available from the boarding hall to the school every morning during term time.

The nearest MRT station to the school is Holland Village MRT station or Commonwealth MRT station (where one enters the school via the school's back gate)

International students are not eligible for student concession passes. The most convenient way to travel via public transport (MRT and buses) is to buy the adult stored value card. More details at: <http://www.transitlink.com.sg/PSdetail.aspx?ty=art&Id=37>

Orientation to School and Settling in

The school organises Orientation programmes to settle new international students in when they are admitted for January or July intake. For international students who are admitted at other times, the following arrangements are made:

- a) A tour of the campus by appointed buddies from their respective Houses and an introduction by HoHs and House Tutors are arranged.
- b) The IPC would meet them on the first day before and after school to ensure that all is well.
- c) Students are encouraged to look for their House Tutors, HoHs or the IPC if they need assistance.

Orientation to Singapore

The school organises two Singapore Orientation outings for new international students per year, in January and July. The one-day programme takes place on a Saturday and visits include places of cultural interests, e.g. Chinatown, Arab Street and Little India to familiarise international students with the cultures of the main races in Singapore.

IT FOR TEACHING AND LEARNING

The school uses both Windows and Apple devices. While Junior students can probably work on a tablet (Windows or iPad) for quizzes and presentations, Middle and Senior students are expected to work more intensively on longer reports and presentations, including collaborative work on Google Docs. As such, a laptop (Windows and Macbook) is preferred.

All students will be provided with a free Office 365 account to install the Office applications on their device, including email. Students who are involved in creative media will also be provided the full Adobe Creative Cloud.

Students are also expected to download apps as when required by teachers for classroom activities. Commonly use apps include Kahoot and Peardeck.

Online Teaching and Learning will largely be done in Google Classroom and Managebac (for IBDP students).

PUPIL PORTAL AND PARENT PORTAL

The school uses a Pupil Management System known as Internet-based Schools Administration Management System (iSAMS) to manage all of its data. iSAMS is a suite of powerful software modules that allow the school to manage every aspect of school life for teachers, managers, administrators, parents and students.

The Pupil Portal and Parent Portal are parts of this suite. They can be accessed via a web browser as well as through apps from both Play Store and App Store. All portal accesses can be found at <https://www.acsinternational.edu.sg/en/portals-new-3/> or click on "Portals" at the top of the school web page.

The Pupil Portal

Each new student will receive an information sheet containing login details of various portals including the Pupil Portal (<https://acsinternational.students.isams.cloud>). No registration of account is required. Alternatively, the iStudent App can be used. The school code of the app is **ACS**.

The Parent Portal

The Parent Portal (<https://acsinternational.parents.isams.cloud>) provides specific information about a student's life in school. It gives the parent secured access to key information about their child that is pulled directly from the Management Information System. The portal is 100% web based which means only a computer/laptop and a web browser are required to use it at any location with internet access.

Access is by invitation only after a student commences school. The parent will receive an email containing a registration number and a registration password along with instructions on how to register. Activation of account can only be done using a web browser, not the app.

Some of its features are as follows:

- Email
- Timetable
- Details of Teaching Groups
- Morning Attendance
- Detention
- Reward and Conflict
- School Reports and Assessments
- Common Documents
- School Directory
- School News and Daily Bulletin
- School Calendar

How to access the Parent Portal

To access the parent portal, a one-time registration is required. Registration can be done via a web browser only.

To register go to <https://acsinternational.parents.isams.cloud> – click Create New Account

The Parent Portal Access Code and Password will be sent to you via email.
