Photography of Students

Dear Parents and Guardians,

I am writing to inform you of an incident reported to the school yesterday, which occurred on Thursday 2 April.

An adult male was observed taking photographs of female students at Holland Village MRT station, near the 7-Eleven that is in the station. A member of the public challenged the individual and asked him to delete the images, which he refused to do. The member of the public then alerted students in the station and informed MRT staff.

At this stage, there is no evidence to indicate that this incident is linked to the previously reported individual outside the school. As such, it is being treated as a separate matter.

We ask that you remind your child that if they encounter anyone taking photographs of them in the MRT station, they should move away immediately and report the matter to MRT staff. If a similar situation occurs in areas near the school, they should inform a member of school staff as soon as possible. If at any point they feel unsafe or threatened, they should call 999, in line with police advice.

Thank you for your continued support as we manage this matter.

Yours sincerely,
