Stranger Danger

Dear Parents and Guardians,

I am writing to inform you of two reports given to the school regarding the behaviour of a man in Holland Village this week.

It is reported that this man followed students on both the MRT and public buses, to Canberra MRT and to Ngee Ann Polytechnic on two separate occasions after school this week.

The following description has been provided to the school by students.

- Chinese man in his 50s-60s
- Juttred chin
- long black shirt
- ACS girls PE shorts
- dyed brownish hair
- black duffel bag

We ask that you remind your child that if they suspect someone is following them on the public transport network, that they should move away immediately and report the matter to SMRT staff. If a similar situation occurs in areas near the school, they should inform a member of school staff as soon as possible. If at any point they feel unsafe or threatened, they should call 999, in line with police advice.

Thank you for your continued support as we manage this matter.

Yours sincerely,

Gavin Kinch
Principal
